

February 1, 2013

Dear Producers:

Effective March 1, 2013, there will be a change to the Continuous Quota Policy regarding quota transfers.

The new policy will enable producers to sell part of their quota privately rather than exclusively through the Quota Exchange.

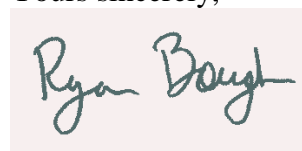

The new policy will require that 15 per cent of all transfers of quota (including whole farm transfers) be made through the exchange. Immediate family transfers will remain exempt from this requirement.

The 15% sold on the Quota Exchange will ensure that there will be quota available for those wishing to use the exchange.

The new policy will be posted on the SaskMilk website and a copy will be mailed with the February 2013 newsletter.

If you have any questions, please call the Board office.

Yours sincerely,
