2016 INCENTIVE DAYS NOTICE - REVISED

SaskMilk is amending the previous notice of 2016 incentive days to include additional days this spring and summer. Additional days have been added to address the potential need for the national Growth Allowance and to allow producers to prepare for the **fall production when milk is needed the most.**

Incentive days will be issued for the following months for 2016:

March	1 day
April	1 day
May	1 day
June	1 day
July	1 day
August	1 day
September	2 days
October	2 days
November	2 day
December	1 day

Please note if Saskatchewan production trends and/or Canadian Requirements change, the issuance of incentive days may be reduced or increased.

If you have any questions regarding your quota management, please do not hesitate to contact Bev Solie at the office at #306-721-9488.
