NOTICE TO PRODUCERS

Due to increased demand and growth, SaskMilk is announcing a **quota increase of 1% that will be effective August 1, 2016.**

These increases reflect a continuing upward trend in demand. The Canadian Dairy Commission is anticipating growth in demand for production for the next several years.

The Board hopes that providing this advance notice of an increase will allow producers to better plan their production for this year, as well as give consideration to long-term growth.

If you have any questions, please do not hesitate to contact Directors of the Board or the SaskMilk office. Director contact information is available in the monthly newsletter and on the website at www.saskmilk.ca.

Any questions regarding your quota position should be directed to Bev Solie at the SaskMilk office at #306-721-9488.

Happy World Milk Day!
