## **REVISED – Notice to Producers 2017 Quota Increases**

As before, due to data showing even further increased demand, SaskMilk is announcing **revised quota increases for 2017 totalling 6.0% on the following schedule:**

<b>January 1, 2017</b>	<b>2.0%</b>
<b>March 1, 2017</b>	<b>1.0%</b>
<b>May 1, 2017</b>	<b>1.0%</b>
<b>July 1, 2017</b>	<b>1.0%</b>
<b>September 1, 2017</b>	<b>0.5%</b>
<b>November 1, 2017</b>	<b>0.5%</b>

These increases reflect a continuing upward trend in demand for a wide variety of dairy products across the market. The CDC is anticipating ongoing growth in demand for production for the next several years.

The Board hopes that providing the outlook for continuing growth will encourage producers to plan for long-term growth and increases in barn/farm capacity.
