## **Notice of Moratorium on Private Quota Transfers**

Due to the urgent need to review SaskMilk's Quota Board Order and Continuous Quota Policy, a moratorium is hereby placed on private quota transfers for 60 days.

This moratorium is effective May 13, 2020 and continues up to and including July 11, 2020.

This moratorium means that SaskMilk will not receive, acknowledge, nor consider any private quota transfer requests.

The Quota Exchange will continue to operate as normal and with all due careful scrutiny of transactions as required.

If you have any questions, please contact the SaskMilk Chair or General Manager.
