Update re: Moratorium on Private Quota Transfers

While the moratorium on private quota transfers announced on May 13, 2020 continues, the Board understands that it is having an impact on individuals and farms in the industry carrying out their operational and financial planning.

The Board is actively working on the issues leading to this moratorium, including having the topic as a priority item on the agenda for discussion at the upcoming Board meeting of May 27 and 28. If you would like to provide any comments or feedback on the current moratorium the Board would welcome your input.

Please provide your remarks to the Board in writing by emailing them to General Manager Peter Brown at peter.brown@saskmilk.ca.

Thank you for your understanding and support during this challenging time.
