Notice to Producers Change to Credit Transfer Limit

To help address the ongoing and expected challenges due to this year's drought conditions, the SaskMilk Board of Directors has approved a temporary increase to producers' Credit Transfer Limit.

Effective October 1, 2021 through to July 31, 2022, the maximum Credit Transfer limit will be increased to 15% on a rolling 12-month basis.

SaskMilk will continue to monitor the situation in the province to determine if additional measures will be needed.

Please note that the deadline for Credit Transfer paperwork to the office remains the 20th of each month.
